

With this help I have been able to use Mrs. Fox only once a month, when she gives the library rooms a thorough cleaning.

During June the subscription drive was undertaken under the direction of Mr. Lane. This resulted in securing 25 members: 16 active at \$3.00 a year, 8 sustaining members at \$10. and one at \$5.00. These include 5 new active members and one new sustaining member.

The summer months were busy ones, the number of borrowers steadily increasing until now there are registered 1171.

I was very glad to take advantage of the vacation given me from Aug. 17 to 31st. During this time a card party and tea was held at the summer home of Mr. & Mrs. Hillen, the net proceeds of which were \$54.22.

Some of the books for subscribers have been purchased, but it has been thought best to buy a few at a time in order that we can have the new ones as they are published.

There is still some difficulty in having books returned on time, and in some cases returned at all.

Maudie D. Johnson,
